

# KSA is your advocate.

*“If you are not part of the soybean association but are seeing the benefits of our work, what else can we do to support you? We’re fighting against overregulation, working on opening trade and representing you in Washington, D.C., and Topeka; and it is necessary. We’re helping you. We need your help.”*

## You can't be at the Capitol every day.

## Your soybean associations can.

KSA and ASA together elevate farmer needs on:

- Farm Bills
- Safety nets
- Crop protection
- Transportation
- Rural infrastructure
- Property rights
- Market access

## A voice in policy is not your only incentive.

Members also receive these benefits:

- Biodiesel coupon for \$20.
- First access to KSA news through the bi-monthly Straight Rows newsletter.
- National news delivered by the eBean newsletter and quarterly American Soybean magazine.
- Cabela's discount of 10%.
